“APA DSM-5 & ICD-10 Nonaxial Assessment Tools: Hands-On”

This 3-hour module will help you to select, administer, score and interpret DSM-5/ICD-10 non-axial assessment tools:

- Cross-Cutting Symptom Measures Level 1 & 2
- WHODAS 2.0 Disability Schedule
- Cultural Formulation Interview
- DSM-5 Disorder-Specific Severity Measures
- DSM-5 Personality Inventories
- Early Development and Home Background
- Adult Needs/Strengths Assessment

DSM-5 and ICD-10 now incorporate Nonaxial assessment to replace prior DSM-IV(TR) Multiaxial assessment. CCSM covers the previous Axes I-III and the WHODAS covers the previous Axis V (GAF).

Denise F. Quirk, M.A., MFT, LCADC, CPGC-S, BACC-NCGC-II specializes in treating problem gamblers and their families. She is CEO/Clinical Director of the Reno Problem Gambling Center, a non-profit outpatient treatment center. Denise chairs the Nevada Governor’s Advisory Committee for Problem Gambling and instructs at the University of Nevada, Reno. Denise advocates in the field of Problem Gambling around the country. Her topics include: using DSM-5 and ICD-10 for Substance-Related and Addictive Disorders, adjunct/alternative treatments for addictive and co-occurring disorders, and counselor/client mindfulness and self-care. Denise co-authored the Gambling Patient Placement Criteria (GPPC, 2010) and was a field reviewer for *The ASAM Criteria* (2013).

“COUNSELOR/SUPERVISOR LAW & ETHICS”

This 3-hour module reviews and updates participants on recent legislative changes to the Nevada Counselor and Supervisor regulations from the Board of Examiners for Alcohol, Drug and Gambling Counselors. Participants will evaluate and discuss a notional case study for regulatory issues and apply current regulatory guidance to resolve ethical issues.

Learning Objectives:

- Participants will identify/recognize recent changes to Nevada counselor supervisor regulations.
- Participants will evaluate a notional case study for regulatory issues.
- Participants will apply current regulatory guidance to resolve these issues.
